The point about this offer is one that everybody who ever bought Furnituse or Carpets in Louisville and had the goods shipped home in the country will easily see. It's a big idem: an item BIG ENOUGH to influence a purchaser in OUR FAVOR were there no OTHER reasons. But there's ONE MORE. It's this: We selt goods on COMMISSION as AGENTS for the FACTORIES. We ask no profits over the factory prices. We are continuously handling consignments of all clusses of goods—some of the finest merchantise on each and some of the chenjest-which have been put into our hands for IMMISTATES. LE at teht. which have been put into our hands for IAM.EDIATE S.ILE at what-ever prices you are willing to pay for them. In such coses the pur-chasers get the ENTIRE BENE-FIT and the factories stand the loss. TRY THIS WAY OF BUY-LAWG. Write if you're not roming to Lauisville. When you do come, come to headquarters.
